1 Introduction

All courses provided by Fife College attract a Tuition Fee, however if you are applying for a Full-time Further Education course, most Scottish students will not have to pay tuition fees in 2026/27. The College will waive the fees of any student entitled to support under the Scottish Funding Council (SFC) Fee Waiver Grant Policy when studying on an eligible course.

Once you have accepted your unconditional course offer you will be invited by email to complete a Student Funding Application Form to assess your eligibility for bursary funding.

The options available to you are dependent on the mode of attendance of the course (Full-time or Part-time) and the level of study, which is either:

- Further Education (FE) - includes Access, NQ, NC, City & Guilds Courses
- Higher Education (HE) - includes HNC/HND/Degree Courses

For Part-Time Further Education courses, fees are payable at the time of enrolment unless you have applied for and have been granted funding by another source or have applied and been awarded a part-time fee waiver.

For a Higher Education Course (i.e., HNC, HND Courses), fees are payable at the time of enrolment unless you have applied to the Student Awards Agency Scotland (SAAS) to have your fees fully or partially funded.

It is your responsibility to ensure that all required funding applications are completed fully to ensure that your fees will be paid where eligible.

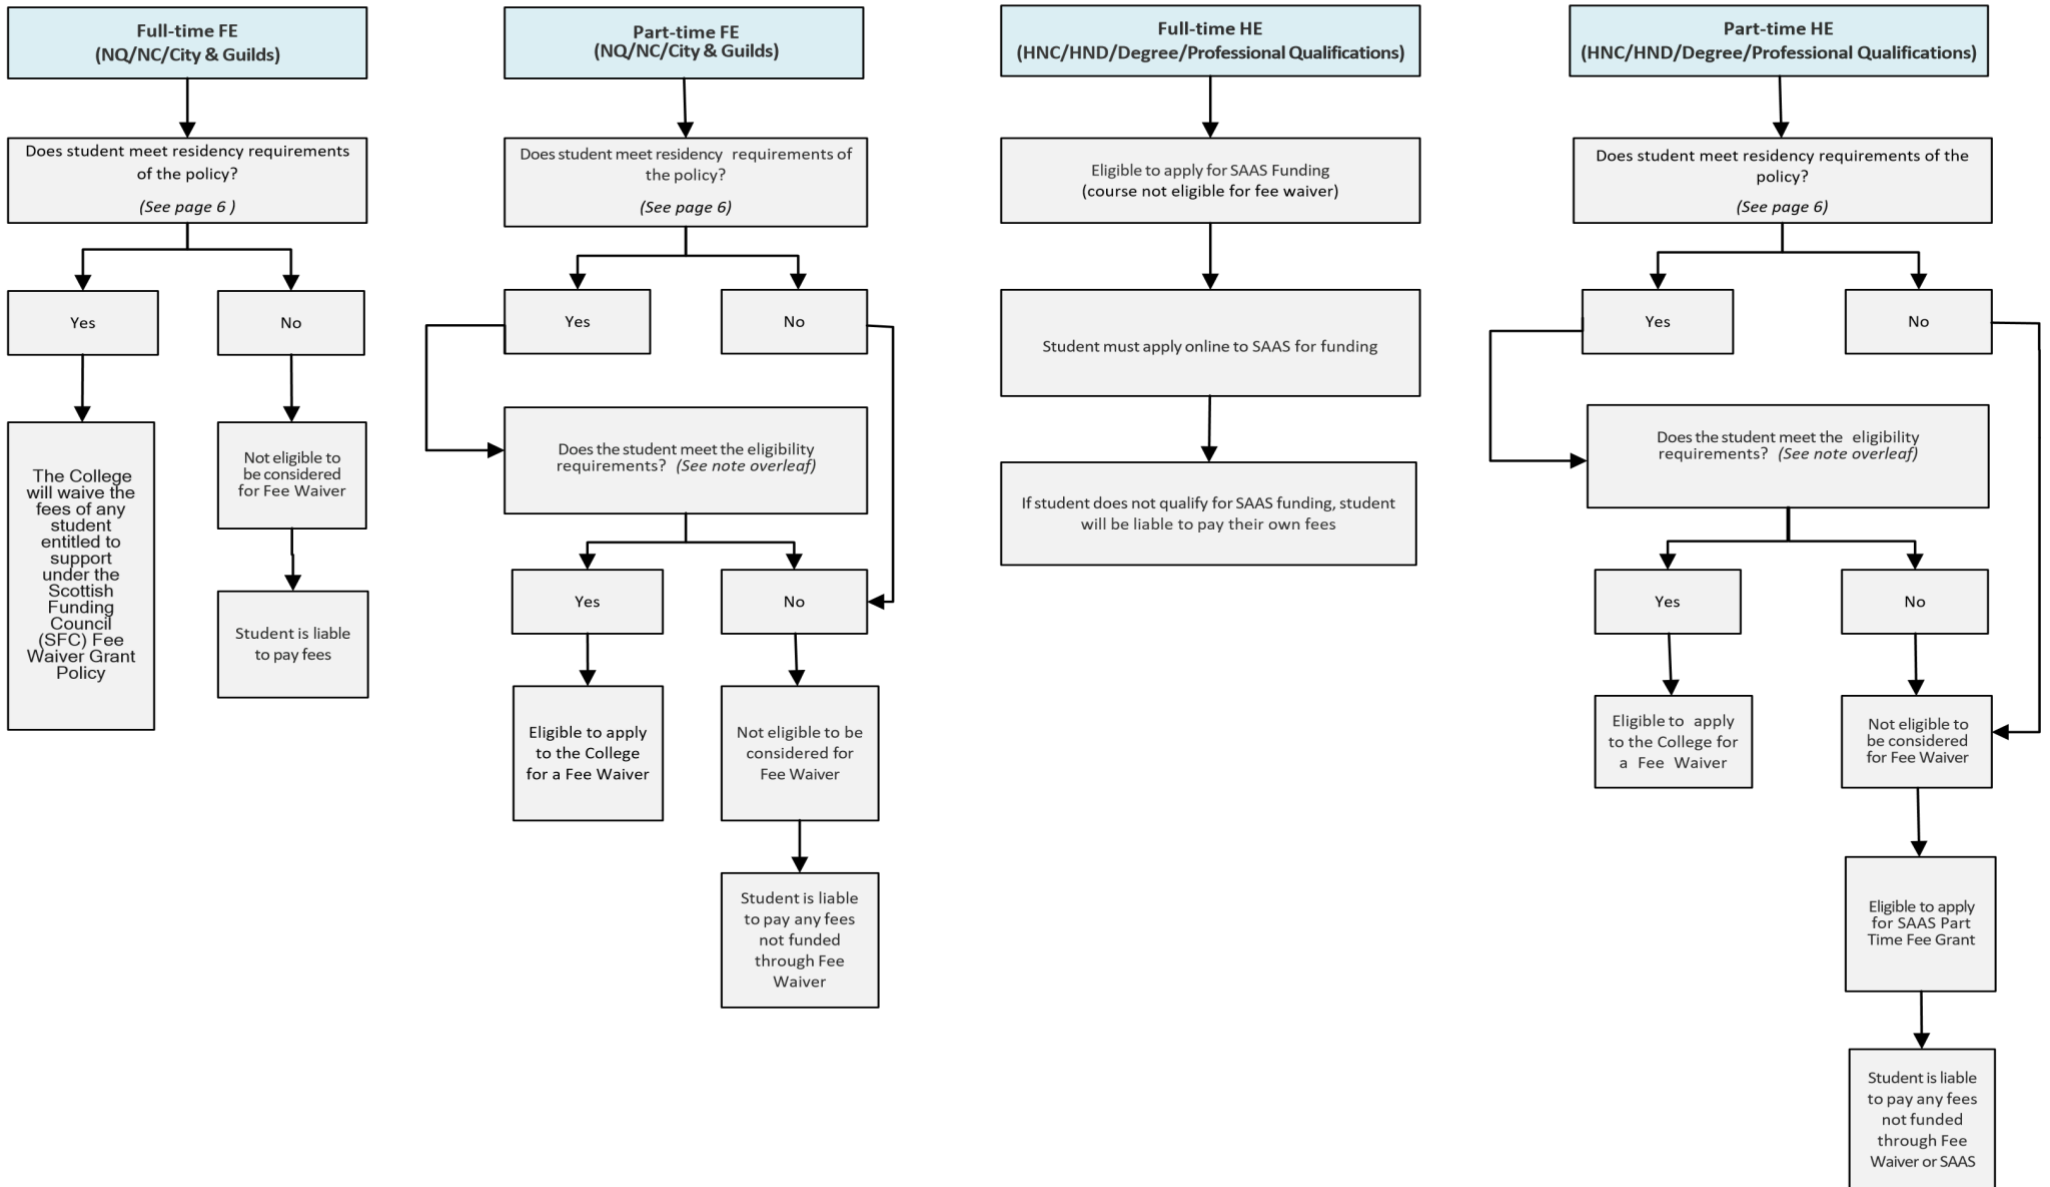

Any fees that remain outstanding are your responsibility.

This document outlines the options available to you to support the payment of your tuition fees.

3 **Full-Time Further Education (FE) Student**

Most Full time FE students will qualify for a fee waiver subject to the Residency Requirements detailed in section 5.1 below.

The College will waive the fees of any student entitled to support under the Scottish Funding Council (SFC) Fee Waiver Grant Policy when studying on an eligible course. Once you have accepted your unconditional course offer you will be invited by email to complete a Student Funding Application Form to assess your eligibility for bursary funding. Students should complete a Student Funding Application online as soon as the award application forms are available.

4 **Full-Time Higher Education (HE) Student**

Full time Higher Education courses are not eligible for a fee waiver. The main source of funding for Full-time HE courses is provided by the Students Awards Agency Scotland (SAAS).

Fees for a Full-time HE course are payable at the time of enrolment however an application can be made to SAAS to pay your tuition fees.

If you're SAAS funding is not confirmed prior to the **30th November 2026** you will become liable for the course fee and will be issued an invoice for the course fee.

- 25% at enrolment.
- Balance payable evenly over 3 consecutive months

Course Fee is Greater than £501 - £799

- 25% at enrolment
- Balance payable evenly over 4 consecutive months

Course Fee is Greater than £800

A payment plan is accepted at the discretion of the Finance Department. Please note the following eligibility criteria prior to making a request for a payment plan:

- For a payment plan to be accepted by Finance this must be set up via Standing Order through your bank.
- You will not be eligible to set up a payment plan if you have defaulted in previous years.

The course fee must be paid in full at least one month prior to the course end date. If a payment plan is requested at a later date during the course a payment plan might be refused or the number of instalments offered will be reduced.

If you are paying by Instalments, then the amount payable at the time of enrolment is the personal contribution after deducting funding from other sources e.g., part-time fee grant.

Where a student is paying their own course fees, either in full, or partially after funding, and withdraws prior to the end of their course they should refer to the College Refund Policy. The Refund Policy outlines any liability for outstanding course fees or circumstances that would permit a refund.

8 If your Employer is Paying your Fees

You must provide evidence of your employer's acceptance to cover your tuition fees. Please provide either a Purchase Order or a signed College employer mandate form, (attached as Appendix 1 to this document below), to confirm their acceptance of liability for your tuition fees. Your evidence should be submitted to Finance via email to the following address finance@fife.ac.uk at the time of enrolment.

The employer mandate must clearly state the name and full details required to allow us to invoice your employer. Failure to provide this information will result in restricted access to College materials and you will be unable to attend class.

If an employer refuses to pay the fees due, the student will become personally liable for any fee outstanding. If a mandate or Purchase Order is not provided within one month of the course start date then the fees will be invoiced direct to the student.
